# Camels Are Cool!

Camels are awesome animals. They are big and strong and live to be 40 to 50 years old. They live in very, very hot and dry places. Bactrian camels live in rocky deserts in Asia. Arabian camels live in sandy deserts in North Africa.

Bactrian camels have two humps, but Arabian camels have just one hump. All camels can go without food and water for a long time. Their humps help them do this.

Camels have three eyelids on each eye and two sets of long eyelashes, too.
